INNOVATION MINDS

Exclusive Offer

2023

A comprehensive
Employee Experience
Solution that was built by
passionate people to
empower organizations,
to empower their
employees

INNOVATION BASED

EMPLOYEE ENGAGEMENT MODEL

We are revolutionizing employee engagement by creating a cloud-based platform and services that eliminate silos in the workplace. Our approach to employee engagement allows you to focus on your core business functions while naturally building an engaged workforce that is more innovative, collaborative, and productive.

OUR SOLUTIONS TO CHOOSE FROM

EMPLOYEE ENGAGEMENT

Improve employee satisfaction and engagement, build a network of positive relationships, and create a thriving community in your organization.

SURVEY MANAGEMENT

Listen to your employees' voices. Make them feel valued, supported, included, and constantly be able to give feedback.

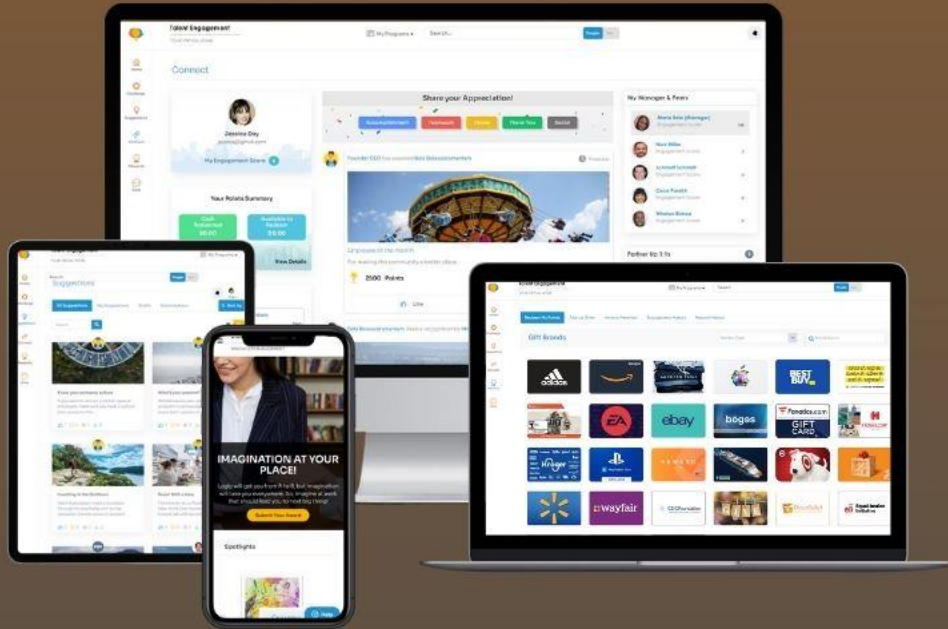

REWARDS & RECOGNITION

Create a culture of gratitude in your organization by recognizing employees for their contributions through tailored employee recognition programs.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Transform your CSR initiatives by achieving the right balance between 'being responsible' and 'being immensely profitable'.

Employee Engagement

Innovation Minds integrates easily with the software you're already using, and we streamline the process to remove roadblocks so you can make rewarding recognition a part of your daily workflow.

Connect & Align

Know and connect with the people you work with and align on goals

Recognize & Reward

Recognizing and rewarding people made easier and more effective for everyone.

Lead & Listen

Become an exceptional Manager to help your Talent advance and grow

Innovate & Deliver

Collect, evaluate, experiment and develop the best ideas to get the Innovation results

Boost employee engagement, collaboration, and productivity - 3 to 4X within 12 weeks.

A Holistic Employee Engagement Solution

- Engagement Surveys, Assessments, Wellness Checks, Polls and Action Plans
- Rewards & Recognition, Rewards Marketplace, Advanced Gamification and eNPS
- Connect Portal, AI Talent Match, 1:1s integrated w/ Calendars and Event Hub
- Insights, KPIs & Reports, Personality & Sentiment Analytics and Manager Actions
