2024

“BEST COMPANIES TO WORK FOR”

TRUST INNOVATION MINDS

A comprehensive Employee Experience Solution that was built by passionate people to empower organizations, to empower their employees

Employee Engagement - The core

Empower, Engage, Excel: Fostering a Culture of Innovation and Growth Together.

Engagement Board

A live stream showcasing posts, updates, and celebrations from colleagues throughout the organization.

Employee Recognition

Acknowledging and appreciating colleagues for their contributions, achievements, milestones, and efforts.

Rewards & Incentives

Tangible incentives in recognition of employees' performance, achievements, or contributions to the organization.

Survey Tools

Gather feedback and insights on all aspects of the workplace through polls, satisfaction survey and other surveys.

Engage to Excel

Embrace Friendly Team Challenges, Encourage Transparent Ideas and Welcome Anonymous Suggestions.

Tools for Teamwork

Seamless Communication, Virtual Collaboration with Whiteboards and Events, for Distributed or Remote Work Settings.

Engagement Score (eNPS)

Assess the level of engagement, productivity and satisfaction among employees within the organization.

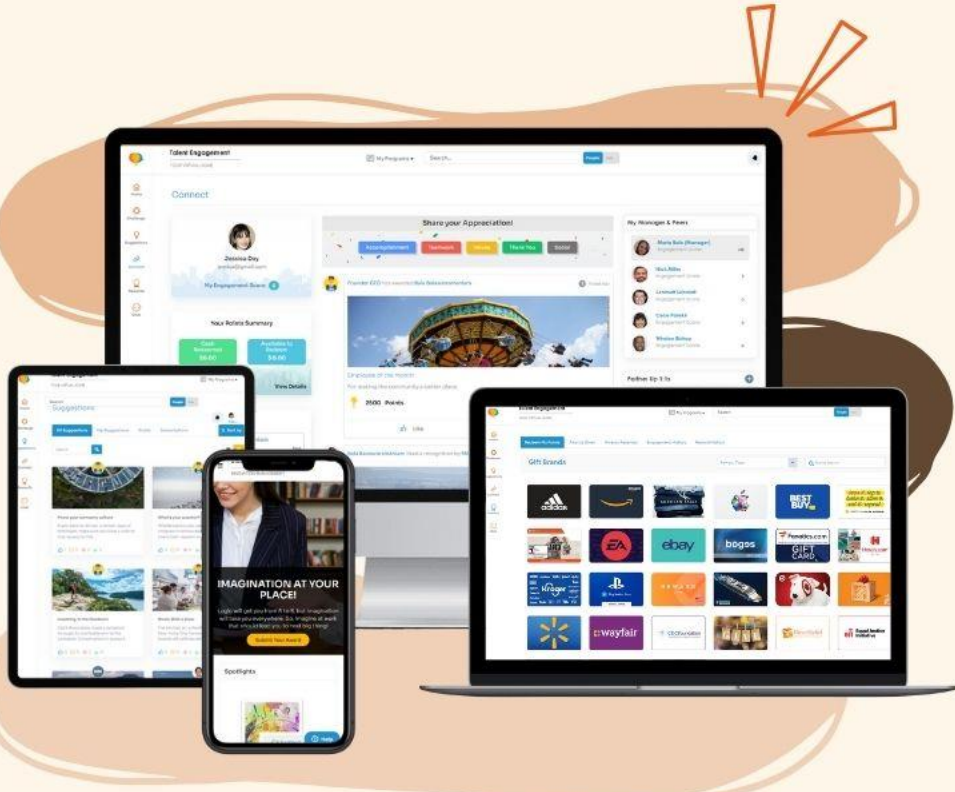

And Much More...

Employee Insights, Single Sign-on, Integration with HRIS/Payroll systems, Multilingual support, iOS/Android Apps, etc.

Employee Engagement

Experience Innovation Minds to its full potential with seamless integrations.

Web | Mobile | SMS | QR Codes | Kiosks

Connect

Build connections, understand colleagues, and unite towards common goals.

Recognize

Simplified and enhanced employee recognition and rewards.

Listen

Elevate leadership & management skills to foster talent growth and advancement.

Lead

Collect and analyze employee insights for optimal decision-making.

Elevate employee engagement, foster collaboration and enhance productivity instantly.

The Innovation Minds Advantage

- Promoting a holistic, integrated experience over silo tools and transactions.
- Intentionally aligning employees with company values, vision, and mission.
- Creating an enjoyable, organic participation through attraction, not imposition.
- Integrating engagement and innovation into daily workflow, not just extra tasks.
- Above all, we're highly focused on customer feedback, quick course corrections, and cutting-edge cost-effective solutions.

SNEAK PEEK

<https://portal.innovationminds.com>

Experience Innovation Minds to the max
with seamless integrations.

Easy Connection with HRIS Systems

Go Live

Integrations go live along with Innovation Minds Portal. HR Master Data is critical, others can wait till the need arises.

Simple NDA

We will sign a simple and mutual NDA so the Client can comfortably partner up with Innovation Minds

Build & Test

Innovation Minds Engineering team builds the sFTP/API integrations, test and get sign off from Client.

Access to HRIS/Payroll

Innovation Minds Architect works with Client HR/IT to get the access to HRIS System – Data Connectors using a Client's system account

Quick 2-week Implementation

1st Phase

Kickoff

- Client SoW Completed
- Client Project Team (Engagement Manager, Sponsors, Champions, relevant stakeholders) identified
- Needs assessment accomplished via quick interview[s]
- Dependencies established
- Client project scope Identified and Approved
- Client Employee Experience Cloud Portal configured and operational

2nd Phase

Design

- Client Branding (Logos, Banners, etc.) Incorporated
- UI configured
- Initial program and feature set configured
- Add-on Engagement features such as Surveys, Recognition, Rewards, Collaboration Tools, etc. configured
- Overall user experience validated and approved

3rd Phase

Prepare

- Client Early Adopters uploaded/Client HR Master Data Integrated
- Client userbase Access Rules established
- Client Single Sign-On Configuration
- Other Client relevant system integrations (HR/IT Support is required) implemented
- Communication plan curated (with Client's guidance)
- Communication sequence established (Pre-Launch, Launch, Post-Launch)

4th Phase

Go Live!

- Client Portal kick-off
- Portal sanity check performed
- Go/No Go decisions established
- Preparations review and sign-off
- Platform launch email dispatched
- Minimum of 4 office hours scheduled to create awareness and boost adoption
- SOP (User Support, Project Team Support, SLA, etc.) Published

5th Phase

Post Live

- Launch reviewed and evaluated
- Train-the-trainer workshops scheduled
- Support plan created based on program evaluation
- Project Readout
