INNOVATION MINDS

Exclusive Offer

2024

“BEST COMPANIES TO WORK FOR”

TRUST INNOVATION MINDS

A comprehensive Employee Experience Solution that was built by passionate people to empower organizations, to empower their employees

Innovation Management Solutions

Empowering Ideas, Enabling Growth. All Around.

Leveraging the combined intelligence and creativity of employees to address challenges, foster innovative thinking, and overcome obstacles.

Creativity and collaboration hub, breaking down silos and providing a structured way to capture, evaluate, and implement innovative ideas.

Central hub for monitoring and celebrating the progress of innovation initiatives, fostering a culture of continuous improvement.

Ecosystem supporting various phases of innovation, enabling teams to work efficiently, share information, and achieve shared goals.

Bridge the gap between raw data and informed decision-making, empowering individuals and organizations to take effective actions.

Time-limited events that encourage diversity and inclusivity, bringing together individuals from different disciplines to collaborate on ideas and prototypes.

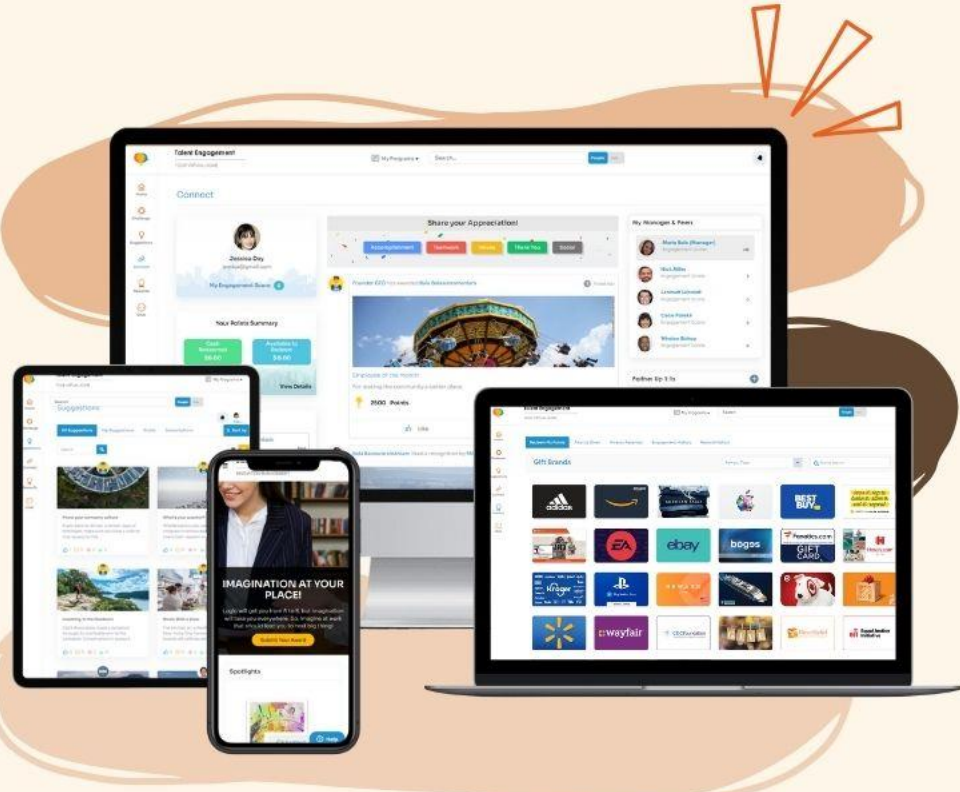

Facilitating planning, execution, monitoring, and other phases of a project, ensuring all objectives are met, and delivering desired results.

Innovation KPIs/Insights, Single Sign-on, Integration with IT/HR and US Patents systems, Multilingual support, iOS/Android Apps, etc.

Innovation Management

Experience Innovation Minds to the max
with seamless integrations.

Easy Connection with HRIS Systems

Go Live

Integrations go live along with Innovation Minds Portal. HR Master Data is critical, others can wait till the need arises.

Simple NDA

We will sign a simple and mutual NDA so the Client can comfortably partner up with Innovation Minds

Build & Test

Innovation Minds Engineering team builds the sFTP/API integrations, test and get sign off from Client.

Access to HRIS/Payroll

Innovation Minds Architect works with Client HR/IT to get the access to HRIS System – Data Connectors using a Client's system account

Quick 2-week Implementation

1st Phase

Kickoff

- Client SoW Completed
- Client Project Team (Engagement Manager, Sponsors, Champions, relevant stakeholders) identified
- Needs assessment accomplished via quick interview[s]
- Dependencies established
- Client project scope Identified and Approved
- Client Employee Experience Cloud Portal configured and operational

2nd Phase

Design

- Client Branding (Logos, Banners, etc.) Incorporated
- UI configured
- Initial program and feature set configured
- Add-on Engagement features such as Surveys, Recognition, Rewards, Collaboration Tools, etc. configured
- Overall user experience validated and approved

3rd Phase

Prepare

- Client Early Adopters uploaded/Client HR Master Data Integrated
- Client userbase Access Rules established
- Client Single Sign-On Configuration
- Other Client relevant system integrations (HR/IT Support is required) implemented
- Communication plan curated (with Client's guidance)
- Communication sequence established (Pre-Launch, Launch, Post-Launch)

4th Phase

Go Live!

- Client Portal kick-off
- Portal sanity check performed
- Go/No Go decisions established
- Preparations review and sign-off
- Platform launch email dispatched
- Minimum of 4 office hours scheduled to create awareness and boost adoption
- SOP (User Support, Project Team Support, SLA, etc.) Published

5th Phase

Post Live

- Launch reviewed and evaluated
- Train-the-trainer workshops scheduled
- Support plan created based on program evaluation
- Project Readout
